

All My Life – Searching for Help

Weekend Discussion Questions

May 15-16, 2010

Community:

1. Jim gave several examples of how people would get in less trouble if Jesus were with them here. Do you think you would get in less trouble if Jesus were next to you every day?

Core:

1. Jesus said it would be better after he left because he would send his Spirit the Counselor. Do you think it has gotten better for you also?
2. Read John 14:16-21 – How would you describe the Helper and the Spirit of truth?
3. How do you picture the Holy Spirit to be a lot like Jesus?
4. Have you ever wished that there were a Parakletis (someone called alongside you to help and encourage you) in your life?
5. Have you experienced God's Spirit working in your life as he came along side you to counsel and encourage and help?
6. Is there any chaos in your life that you need God to help with and bring new life to?
7. Jim said that everything is spiritual. If that is true how does that affect your daily life?
8. Read the story of Gideon in Judges chapter 6 and discuss how God worked in Gideon's life and how he used him.
9. Jim said about difficult areas of our lives, "If you could do it yourself you already would have." Does that make you think of an area of your life that you need God to help you with? What is it?
10. Have you asked the Helper and Counselor to fill you and help you? How often do you need to do that?

Challenge:

1. Ask the Holy Spirit to help you with the difficult things this week.
2. Each day this week before you get out of bed, pray and ask the Holy Spirit to help you with the activities of your day.
