Weekend Discussion Questions

July 25-26, 2009

Community:

1. What's your favorite outdoor activity?
2. What's your least favorite outdoor activity?

Core:

1. Jim said this weekend, that "sin separates us from God". Why is that?
2. Why doesn't God just ignore our sin? Why does sin have to be punished? (Romans 6:23)
3. Why do we have a tendency to "rank" sins as some being worse than others? Read Romans 3:23.
4. Jim said that no one lives perfectly by whatever standard they use to measure their performance. Agree or disagree?
5. If you were God how would you have dealt with sin?
6. How did God deal with sin?
7. Why did Jesus have to go to the cross and be killed?
8. Read 2 Corinthians 5:21. Martin Luther called this, "the great exchange". What do followers of Jesus get rid of in this deal and what do followers of Jesus receive?
9. Read Ephesians 2:8. How would boasting about being a Christian indicate a lack of understanding for what Jesus did?
10. Jim said, that at some point we will be confronted with the cross, and specifically with Jesus as the one who hung on it. Have you decided what to do with Jesus? Are you following Him? Why or why not?
11. How has the news that you are forgiven changed your life?

Challenge:

1. Memorize 2 Corinthians 5:21
