Weekend Discussion Questions

February 27-28, 2010

Community:

1. What are some things you've "intended" to do in your life that you have never gotten around to?
2. Why is it so hard to put good intentions into action?

Core:

1. Read James 2:14-19. Does this contradict what Scott taught last week?
2. How does this passage relate to being saved by grace, through faith alone? What does real, saving faith look like?
3. Read Matthew 7:21-26. What immediately stands out about these two builders? What is the main difference between them?
4. Jim said that there is no question that storms will hit your life. What does that mean for how we should go about "building" our life?
5. How has your life/house held up in the storms that have already hit?
6. How would you describe the level of intentionality you are living your life with right now?
7. What are your current goals? What do you want your life to look like? How do you plan to get there?
8. Jim asked, "If nothing changes in your current building plan how sure are you that your life will survive the next storm?" Answer that question now.
9. We finished this weekend's service by singing "Solid Rock". The song says, "My hope is built on nothing less than Jesus' blood and righteousness". Is that true for you?

Challenge:

1. What would it look like to start building your life on who Jesus is and what He has done?
