

Habitat – Habitat For Stability

Weekend Discussion Questions

March 6-7, 2010

Community:

1. Talking about Habitat and building, what is on top of your home improvement list right now?
2. What are the similarities between building a house and building a life?

Core:

1. Everyone wants to build a good house / life, but what will make it “good”?
2. What does it look like to build your life on the solid foundation of Jesus Christ?
3. Read Romans 12:1-2 – what does it look like to offer your body to God and live out your faith?
4. Talk about the difference between being conformed to the pattern of the world and transformed by the renewing of your mind.
5. What does it mean that God’s will is good, pleasing, and perfect?
6. What role has the Bible played in your life up until now? What role would you like it to have in your life from now on?
7. Read Hebrews 4:12, how is the Bible living and active?
8. What is your plan for reading the Bible and learning more about what Jesus said?

Challenge:

1. Develop and implement a plan to read some of the Bible every day this week and month.
2. Each day after reading the Bible write down one thing you would like to apply that day as a result (even if it is only for that one day).
3. Check out Scott’s *bible:101* workshops on how to study the Bible.
